

1001TRACKLISTS

Use this checklist to help you get tracklisted

- 1. Check 1001Tracklists for archived radio shows**
- 2. Submit your track to each radioshow within your genre for support**
- 3. Follow up within 1-2 weeks to see if your track was selected**
- 4. Collect a list of DJ's within your genre to send your track to for pre-release**
- 5. E-mail each artist on your promo list, before your track is released.**
- 6. Personalize these emails to the artist. Some artists may respond to let you know of their support. Depending on the artist, if they play the track during a live set, it may get added to 1001Tracklists**
